

## Holton-Arms School Bethesda, MD

Architect: Bowie-Gridley Architects

General Contractor: HITT Contracting

**PM Services Provided:**

- Oversee Design, Construction, and FF&E
- Contract Bids and Negotiation
- Budgeting
- Scheduling

**Project Highlights:**

Master Planning of an independent college preparatory school for girls in grades 3-12. Additionally, JFW provided project management services for the 925,000 SF, multi-million renovation project which took place on an occupied campus and included the renovation of the Granger House, Middle and upper school renovation, abatement and complete HVAC replacement, new entrance road, replacement of entire roof, lower school renovation, addition for Science Wing and Performing Arts, new synthetic turf track and field, and Centennial Garden renovations.

*"JFW, Inc. has worked closely with the Holton-Arms School as a trusted advisor for over twelve years on projects ranging in scope from \$100,000 to \$20 million. With each endeavor, JFW has brought expertise, hard work, and integrity that has added considerable value to each project. I have found them to be a truly principled firm and a genuinely dedicated partner to the school."*

**Richard Esposito**  
Former Chief Financial Officer, Holton-Arms School
